

TARGET GAME LAYOUT

TARGET GAME INSTRUCTIONS

The Target game can be played on blacktop or grass and its good for multiple players up to 30 at one time.

Each player has three discs marked according to the player. Throwing three discs is one round and three rounds equal one game. The highest score wins.

- ⌄ The set up starts with a distance of 100 feet from the Disc Pole Hole™.
- ⌄ Landing a disc in the Disc Pole Hole™ is worth a total of 100 points.
- ⌄ A leaner on the pole is worth a total of 50 points.
- ⌄ The first ring has a 5' radius worth a total of 25 points (Grey ring).
- ⌄ The second ring has a 10' radius worth a total of 10 points (Blue ring).
- ⌄ The third ring has a 15' radius, worth a total of 5 points (Red ring).
